Making Connections & Getting Down To Business

ONE-STOP-SHOP TEAM APPROACH

At Rendezvous South, you get to bring your destination team together, including CVB rep(s), Convention Center rep(s), and major Hotel rep(s) in order to provide the attending meeting planners with a one-stop-shop booking experience. Bringing your destination team of decision makers face-to-face with meeting planners, simplifying their lives by cutting out some of the back-and-forth of the site selection process.

SHARE THE LOVE WITH SIMILAR TEAMS

At Rendezvous South, each qualified destination team recommends meeting planners to attend. These attending planners are known for booking destinations in the South just like yours. Be among your peer destinations and "share the love" with other teams that will be on site such as Savannah, Ga.; Shreveport, La.; Baton Rouge, La.; and Irving, Texas.

BE A BIG FISH AT RENDEZVOUS SOUTH

Designed to be an intimate gathering of meeting planners with a limited number of suppliers, Rendezvous South provides you with a unique opportunity to make long-lasting connections with planners. Along with the extended appointments in a sit-down/expanded booth, your team will have numerous occasions to get to know the attending planners.
